COP Wins Bell, Beats SJS, 13-7

By GIL CHESTERTON

STOCKTON — College of Pacific, victim of a 23-year win famine over SJS here, finally tasted the sweet fruits of victory by defeating the Spartans, 13-7, before 18,000 fans Saturday night.

With the hard-fought COP triumph went the bell, token of victory in this traditional series that dates back to 1895 and had not seen the Pacific team win since 1949. The last time they won the bell here was 1931.

The Golden Raiders were so bottled up on offense by the determined Stockton crew that they were unable to score until the last 10 seconds when Quarterback Tony Teresa lofted a pass 51 yards to End Merle Flattley who was hauled down on the Tiger four. Halfback Fred Delgadillo carried the ball over from that point on the final play of the game. Teresa kicked the conversion.

The Tigers drew first blood when they roared back after a scoreless first half to march 80 yards in 10 plays with the TD coming on a 19-yard pass from QB Bill Jacobs to End A. D. Williams.

Jacobs engineered a 38-yard drive in the fourth period and sneaked over from the one-yard stripe with what proved to be the game clincher with 11 minutes remaining.

COP Coach Jack Myers pointed to their "inspired defensive" ball that was the key to the long-sought victory over SJS. It was inspired defense, indeed, as the Spartans crossed midfield stripe on three occasions, had the ball for only 10 plays in the first period and saw COP amass 269 net yards to their own scant 144 yards.

Stanford Indian Hangs in Effigy

Homecoming spirit received an initial kick-off this morning when SJS students spotted a Stanford Indian "hanging" from the tower.

This symbol of what the Golden Raiders hope to do to the Stanford Indians was rigged by the Homecoming committee publicity group.

Tau Delta Phi obliged the committee by offering to hang the "dead injun dummy" from their plank on the tower.

Deans Change Junior Prom Distance Limit

The Junior class may hold its annual prom at any location within a 50-mile radius of San Jose, class president Bob Lindsey announced Friday.

This is only the second time for at least the last 25 years that a class other than the senior class has been able to hold a dance out of reach of the city bus lines, according to Miss Helen Dimmick, associate dean of students, and the first instance occurred through a misunderstanding.

Permission to hold the dance out-of-town was granted in a meeting of the Personnel Deans, Lindsey said, at which class officers appeared to plead their case. Objections to holding the affair away from the city included the one that it would be inaccessible to some students. "But nobody goes to a prom on the bus anyway," Lindsey commented.

Sites under consideration for the dance are the Castlewood Country Club, the Bay Meadows Turf Club and the Tanforan Club, according to Lindsey. Negotiations now are under way for a "name" band, he said.

Theme for the dance is to be "Mood Indigo."

Senior Council To Plan Dinner For Fall Grads

All seniors who have suggestions or talent for entertainment at the December Graduation Banquet are urged to attend today's meeting of the Senior Class Council in Room 127 at 3:30 p.m., according to Pat Spooner, class president.

Spooner also asked that anyone who had ideas for an invocation speaker either attend the meeting or contact him. Speaker of the dinner is Dr. James C. De Voss.

JUNIORS

The Junior Class Council will meet today in Room 114 of the Speech and Drama Building at 3:30 p.m. Under discussion will be the coming meeting of the 4-way class council on Nov. 22, and plans for the Junior Prom.

SOPHOMORES

Seal emblems for sophomores will be discussed by the Class Council today at 3:30 p.m. in S-112. Arrangements for the proposed Joe College and Betty Coed dance will be considered.

FRESHMEN

The proposed Freshman Class constitution will be read in its final draft and voted on at this afternoon's class meeting in Room 117 at 3:30 o'clock, according to Dick Takaha, class president. Both Takaha and Didi Smith, Constitution committee chairman, urge all freshmen to attend the meeting.

Queen Crowned at Ball Joan Dalton to Reign

Newly-crowned Homecoming Queen, Joan Dalton, sat on her throne and viewed her fellow students as they serenaded her with "Hail Spartans Hail," at the Coronation Ball held at the Civic Auditorium, Friday.

More than 4000 persons witnessed the ceremonies which began with last year's queen, Trish Meyers, walking to the stage through a corridor opened up in the crowd. She was followed by the five finalists in the contest: Patti Kaiser, Janis Capezzoli, Gini Watson, Joan Dalton, and Pat Butler.

On stage, Vern Perry, social affairs chairman, introduced the new queen. She then proceeded to the throne where she was greeted by Trish Meyers, who then crowned the new queen. The serenade followed soon after by the spectators. After listening to the song, Miss Dalton proceeded to lead the Grand March, escorted by Jim Cottrell, dance chairman.

Following the dance the royal party had their pictures taken, and between the flashes of the

bulbs, Miss Dalton was able to say, "That I'm quite speechless but nevertheless feel highly honored to be chosen."

The dancers at the Ball swirled to the music of Orin Tucker and his orchestra under a giant crown which was hung in the center of the hall, with white streamers leading to it.

Housing Here For Big Roll

Housing will be available for 10,000 students if they should be admitted to SJS, Mrs. Izetta Pritchard, housing supervisor, declared late last week.

Students may have to live farther away from campus, she said, but they all can be accommodated. Many areas not used heavily for student housing now can be utilized, she explained.

This fall, for the first time in several years, more housing was available than needed, she commented. She cited no particular reason for the surplus.

Committee Favorable At Meeting

President John T. Wahlquist said late Friday that he believes the State Senate Investigating committee on Education was "sympathetic" toward San Jose State College at the public hearing conducted Thursday.

"The hearing was thorough and those in attendance were respectful of the committee," President Wahlquist commented, expressing his belief that a united front for SJS was presented.

Sen. Nelson Dilworth, chairman of the committee, has asked that the hearing be documented in order to enable him to present it to his entire committee and to the Senate Finance committee as well, Dr. Wahlquist said.

President Wahlquist and college officials presented their case to the committee explaining the need for a higher ceiling and more funds for SJS.

Speaking for the people of San Jose, Mayor George Starbird endorsed expansion of SJS. He expressed the opinion that the college's enrollment should be allowed to grow in proportion to the population growth of the area.

Following further arguments by city and county backers in favor of breaking the 6400 ceiling supposedly placed on the college by the State Legislature, Sen. Dilworth said he had no knowledge that the 6400 was mentioned in the budget as passed by the legislature.

President Wahlquist declared Friday that the State Board of Education inferred the ceiling from the amount of money given the college. However, he pointed out that the 6400 ceiling was accepted in preliminary committee action of the senate and the budget was approved on the basis of 6400 students.

New Committee Will Distribute Additional Funds

The President's Council late Friday appointed a committee to study the problem of what to do with the additional \$35,534 granted the college several weeks ago by the State Board of Education.

Though the money was granted two weeks ago, President John T. Wahlquist did not receive official word of it until Friday.

Which departments will receive the new instructors the money will afford is one of the difficult problems of the committee, President Wahlquist said, explaining that additional instructors are needed in nearly every department.

Members of the committee are Deans Fred Harclerod, Stanley C. Benz and Joe H. West, and Business Manager E. S. Thompson.

Contract Is Given For I-Beam Work

The Carl N. Swenson Co., Inc., with a bid of \$7770, has won the contract for I-beam construction for the Little Theater of the new Speech and Drama Building, according to George J. Dieterle, senior construction supervisor.

Contract for the work will be awarded within five days, Dieterle said, and work will begin immediately afterwards. The contract calls for work to be completed within 20 days.

Installing of stage equipment, which will be handled by a Los Angeles firm, will follow completion of the I-beam work, Dieterle said.

McCarthy Debate Looms

By UNITED PRESS

WASHINGTON — As many as seven new Senators may take seats in the lame-duck session of the Senate which opens today on the motion to censure Sen. Joseph R. McCarthy.

They are Senators who were elected Tuesday for unexpired terms.

McCarthy charged Friday that the forthcoming Senate session will be holding a "lynch party" when it takes up the question of his censure. He said he expected the debate to run a long time and Senate Republican Leader William F. Knowland estimated two weeks.

Knight Plans Smog Talks

SACRAMENTO — Gov. Goodwin J. Knight announced he would hold a legislative conference in Los Angeles tomorrow to explore "all possible channels of state assistance to local authorities in controlling smog."

List K-War Casualties

WASHINGTON — The Defense Department, in a "tentative final" casualty report on the Korean War, said Friday that American troops suffered

142,091 casualties in the three-year conflict.

The department also officially closed the books on thousands of missing personnel, declaring that 4735 missing persons now are presumed dead.

The casualty total includes 33,629 deaths, 103,284 wounded and 5133 captured or missing.

U. S. Offers Atom Aid

UNITED NATIONS — The United States pledged itself Friday to give atomic materials and American know-how to put President Eisenhower's "atoms-for-peace" plan into worldwide operation.

U.S. Ambassador Henry Cabot Lodge, Jr., using the words of President Eisenhower, told the United Nations Political committee that the United States also would be "more than willing" to take up with the Soviet Union development of plans for peaceful use of atomic energy.

GOP Seeks Cooperation

WASHINGTON — Senate Republican Leader William F. Knowland said after a meeting with President Eisenhower Friday that the GOP leadership hopes to develop a working arrangement with the Democrats in Congress.

Thrust and Parry

More on Pamphlets

Dear Thrust and Parry:

With regard to the Student Y's decision in the matter of literature distributed by a subversive organization near the campus, some additional comment would seem to be in order.

While the measures advocated in the pamphlet in question seem to be acceptable on the whole, the Labor Youth League has additional information available in pamphlet form which seems to bear out the Attorney General's accusation.

From the preamble of the constitution of the LYL, the purpose of the league is to "stimulate interest in and study of Marxism, and educate youth in the principles of Scientific Socialism". Among other things, it "combats anti-Communism".

In a pamphlet "Our generation Will Not Be Silent", which is a statement of the LYL in answer

to the Attorney General's charges, relations with Communists are explained thusly—"The League has from the first made very clear its interest in Marxist-Leninist thought and in the Communists who are exponents of Marxism-Leninism".

These statements are, as usual, couched in liberal slogans, glittering generalities, and quotations from Presidents, Senators and Congressmen, Supreme Court Justices, and other influential men.

The real harm of such propaganda is that the "Front" of liberalism behind which it hides becomes synonymous with that kind of liberalism which is so necessary to the growth of democracy. This forces the majority a little more to the right of center, politically, and produces a kind of thought-association which tends to perpetuate this trend.

The Student Y is to be commended for their independent thinking, and logical approach to the situation which seems to be the exception to the case these days.

India Chosen For Model UN

India has been selected by the International Relations Club as its first choice of nations to be represented by SJS at the Model U.N. in April, according to Jim Starrs, IRC president.

"We want to represent India because she is a major power in the U.N. General Assembly and it is in the General Assembly that most action occurs," Starrs said.

The host school of the Model U.N., San Francisco State, has final decision of which nation will be represented by each participating school. IRC has applied for India as their first choice and asked for the United Kingdom and Egypt as second and third choices, respectively.

There will be a 15-man delegation to the Model U.N. this year. Starrs emphasized that this delegation is selected from the entire student body and not from IRC members.

"Anyone interested in the Model U.N. or other inter-college conferences of the international subjects is welcome at IRC meetings," Starrs said. The IRC meets every other Tuesday and Dr. Jackson T. Main is the adviser.

To Speak Here

Dr. John R. Clark of Columbia University will discuss "How to Teach World Problems" tomorrow at 11:30 o'clock in the old Little Theater, according to Nina Teeslink, president of Kappa Delta Pi.

Faculty Group Asks Change In Smoke Law

A proposed resolution asking that the rule prohibiting smoking in the faculty offices be revoked was discussed by the Faculty Council Thursday.

The resolution was referred to a committee for re-drafting. On the committee are Miss Anna L. Loze, Dr. Matthew Vessel, Dr. Edward Minium and Harrison McCreath. The resolution in its new form will be presented at the Nov. 18 Council's meeting according to Milton Rendahl, council chairman.

The council approved the appointment of Mrs. Mildred Winters, assistant professor of history, and Dr. George Bruntz, professor of history and political science, as faculty representatives for the College Centennial committee.

Frosh Beaten By COP, 19-14

College of Pacific yearlings tallied three first half TD's and then held off a determined San Jose State frosh team, 19-14, Friday afternoon in Spartan Stadium.

The defeat brought the two game Spartababe schedule to a close and gave Coach Larry Matthews' gridders a record of one tie and a loss. They deadlocked with Fresno State, 12-12, in their opener.

COP hit pay dirt twice in the first period, the first score coming eight plays after the visitors took over. They scored again on a 45-yard pass play.

The Spartababes' Bill Montero intercepted a COP aerial at the COP 35 and returned it to the 22 yard line. Halfback Rich Spiekerman then scooted off right guard 20 yards for the initial SJS touchdown at 133:32 of the second period. Montero kicked the conversion making the score 13-7.

San Jose bounced back after a COP touchdown when Frank Viada made a beautiful running catch of a pass from Fritz Keister, the playing being good for 55 yards. Montero added his second conversion and State trailed, 19-14 with three minutes left in the third period.

Weekend Look at SJS Sports Merry-go-round

Wrestlers Win Title

Coach Hugh Mumby's wrestlers continued to be the only team to win the annual Bay Area Novice AAU wrestling tournament as they scored 52 points to far outdistance their nearest rival, San Francisco AC with 16.

SJS has captured the eight-year-old tourney seven times and tied for the crown in the 1952 meet.

Other scores: Cal 14, San Francisco YMCA 8, unattached 6, Stanford 4 and Santa Clara 4.

Spartan title winners were Gail Helvie, 137 pound class; Dick Feger, 157 pounds; Gus Talbot, 167 pounds; Jerry Ledin, 177 pounds; and Roy Frontani, 191 pounds.

SJS place winners were Kiyoshi Oshiba, second, and Roy Higa, third, 123 pounds; Marvin Rodriguez, second and Marlon Smith, third, 130 pounds; Ken Simpkins, second, and Tom McIntosh, third, 157 pounds; and Russ Camilleri, second, 177 pounds.

Truex Beats Hubbard

USC freshman Max Truex handed SJS Don Hubbard his first defeat of the cross-country season as he set a new course record in leading SC to victory on the Stanford 4.3 mile course at Palo Alto. San Jose State was third.

The Warsaw, Ind., freshman beat Hubbard to the tape by 125 yards in covering the course but was

in 22:27.3. The Spartan runner overtaken by Truex's late kick in the stretch.

USC won the meet with a score of 30, with Stanford next with 55, SJS 60, California 72 and Santa Clara Youth Center, 152.

Spartan finishers were Don Berry, fourth; Duane Ludlow, 14th; Weldon Stroud, 17th; and Jim Green, 21st.

Soccer Team Loses

San Jose State's soccer team was edged, 5-3, by Santa Clara Saturday morning in a Northern California Intercollegiate Conference game on the winner's field.

The Spartans took an early 1-0 lead in the opening quarter on a goal by Left Forward George Wallace, who tallied twice, but permitted the Broncos to register three points in the next period and two more in the third stanza.

The Raiders rallied for goals in the third and final frame, with Pastor Valli, left wing, contributing a goal to the winless SJS soccer team.

Coach Julie Menendez singled out Wallace and Nick Leondiris,

inside right, as outstanding Spartan performers.

Water Polo Edged

College of Pacific edged out the Spartan Water Polo team 7 to 5 in the SJS pool Friday afternoon. The Spartans led most of the way, but the Tigers made two all-important tallies in the final quarter.

Art Lambert paced the Spartans, with three scores to his credit.

Filmdom's Diana Lynn: "I think the Miracle Tip is the most modern filter... and L&M the best-tasting filter cigarette."

David Wayne, Stage & Screen: "L&Ms have the best filter of them all. Miracle Tip is right! There's nothing like it."

Mrs. Laddie Sanford, Socialite Sportswoman: "I love L&Ms. Wonderful filter—exceptional taste!"

No filter compares with

L&M'S MIRACLE TIP

for Quality
or Effectiveness

Isn't it time you tried the cigarette that is sweeping the country... breaking record after record... winning more smokers in less time than any cigarette ever did! Why such success for L&M? It's the filter that counts, and L&M has the best. You get much more flavor, much less nicotine... a light and mild smoke... because only L&M's Miracle Tip gives you the effective filtration you need. Enjoy L&M's king size or regular... both at the same low price. Like thousands, you'll say—"They're just what the doctor ordered."
